

Stanford Sierra Conference Center

AT FALLEN LEAF LAKE

Rules & Emergency Information

Fire

- Clear everyone away from the fire and gather in front of the Main Lodge, near the flagpole.
- If the fire is in the Main Lodge, pull the nearest alarm.
- Report all fires to the Main Office. If the fire occurs at night, contact the night watch with the radio at the Main Office.
- Do not, under any circumstances, block any road in SSCC with your car or park in the fire turnouts which are marked, *No Parking*.
- Should there be a major fire, the safest place is *down on the lakefront*. *Do not attempt to leave by car*, you will block the road and prevent the arrival of fire equipment.
- Parents, please instruct your children about the information above, and tell them *never* to play with the fire hoses.

Injury

- For minor accidents, bring the victim to the Main Office for first aid. For a major injury or illness, do not move the victim; contact the nearest staff member and report the situation to the Main Office.
- At least one staff member is always on duty. The night watch (10pm-5:30am) will check in at the Main Office regularly. If you cannot locate him working in the Main Lodge, leave a note at the Main Office with your name, cabin, and problem or use the radio at the front desk to call the night watch.

Water Safety

Because Fallen Leaf Lake can be cold and dangerous, please adhere to the following rules:

- Only take boats out during posted hours when boat dock staff is on duty. Don't take out a boat unless you are comfortable handling it. If you need help, ask.
- Always wear a life jacket.
- Canoes and playaks should be kept close to the shore. If you tire or the weather changes, beach the boat, walk back, and tell the boat dock staff.
- Children under 16 years should be accompanied by an adult for use of all boats, except playaks. Children under 12 years will not be let out of the breakwater unless their parents have signed a permission slip at the boathouse.

Altitude

Fallen Leaf Lake's altitude of 6,377 feet may affect you. To avoid problems, drink lots of water, cut down on your exercise for the first few days of your stay, and watch your alcohol consumption for the effects may be intensified.

Wildlife

- Bears have been spotted in the Tahoe Basin. If you should see a bear, drop any food items you may have, and slowly walk away. Always maintain your distance.
- Avoid all contact with squirrels and chipmunks as they may carry disease.
- Do not store food in your rooms or vehicles. Do not attempt to feed wildlife.

General

- Smoking is not permitted inside any SSCC buildings, including your lodging rooms. Fully extinguish and dispose of cigarettes only in marked ash cans located on cabin and Main Lodge decks.
- Pets, camping, and recreational vehicles are not permitted.
- The management reserves the right to evict any guest for unacceptable behavior or destruction of property.
- The management is not responsible for lost or damaged articles on SSCC grounds or in the rooms.
- Our environment is very important to us. Please help by conserving water and recycling bottles and cans.
